Dear Mr. Norton,

Thank you for your letter of 31 July 1993 and your kind invitation to participate in Development Workshop's 20th Anniversary. I am glad to inform you that I would be participating on behalf of the Centre in your celebration, and will inform you later about my arrival date and time.

Regarding the Habitat Scroll of Honour for 1993, I would like to inform you that I have an intention to suggest Development Workshop as a candidate for the award for the outstanding contributions towards human settlements development during the past two decades. I would therefore be grateful if you could send urgently, preferably by DHL or other express mail, a short summary (300 words) on your activities during the past 20 years, including dates and places of activities. Press cuttings, photographs (or xerox copies of photographs) and video-tapes are also welcome.

Looking forward to seeing you in September,

Yours sincerely,

R. Nordberg
