Some use the metaphor of bird outside -

to be made to stay with water birds in Kikkara, the
part is sometimes made on the ground and lifted into the
house with open space making the house in old days

There were also other methods of
roofing.

interesting ends

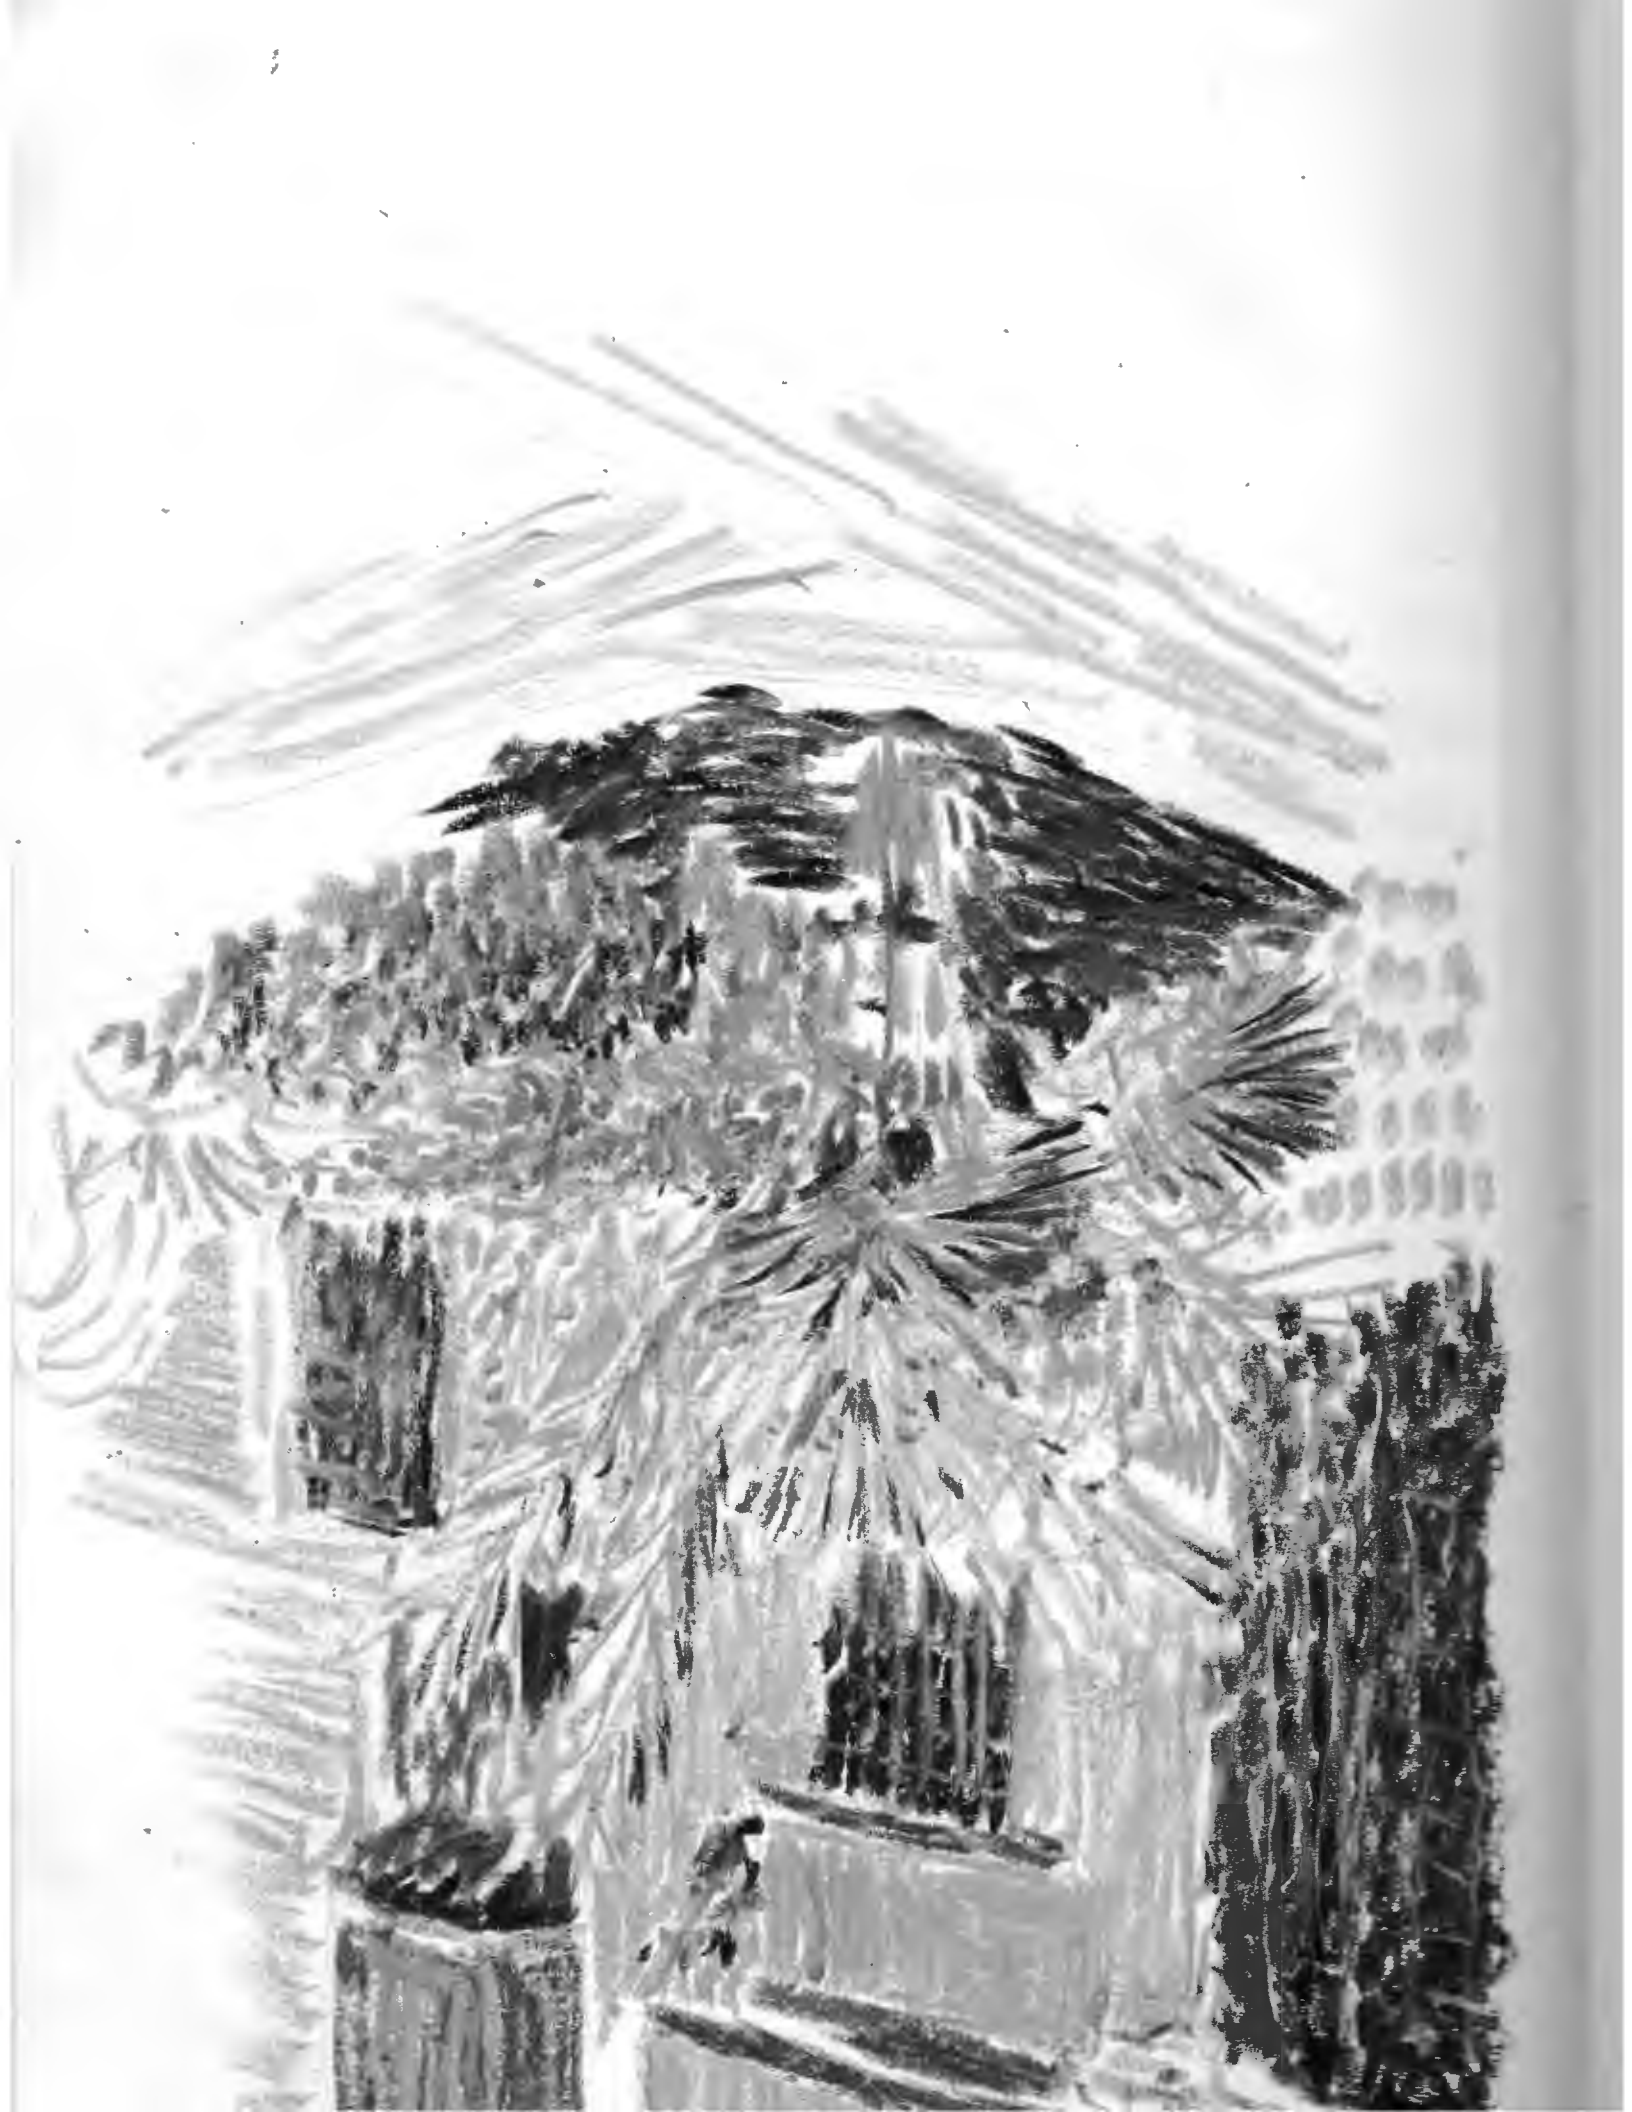

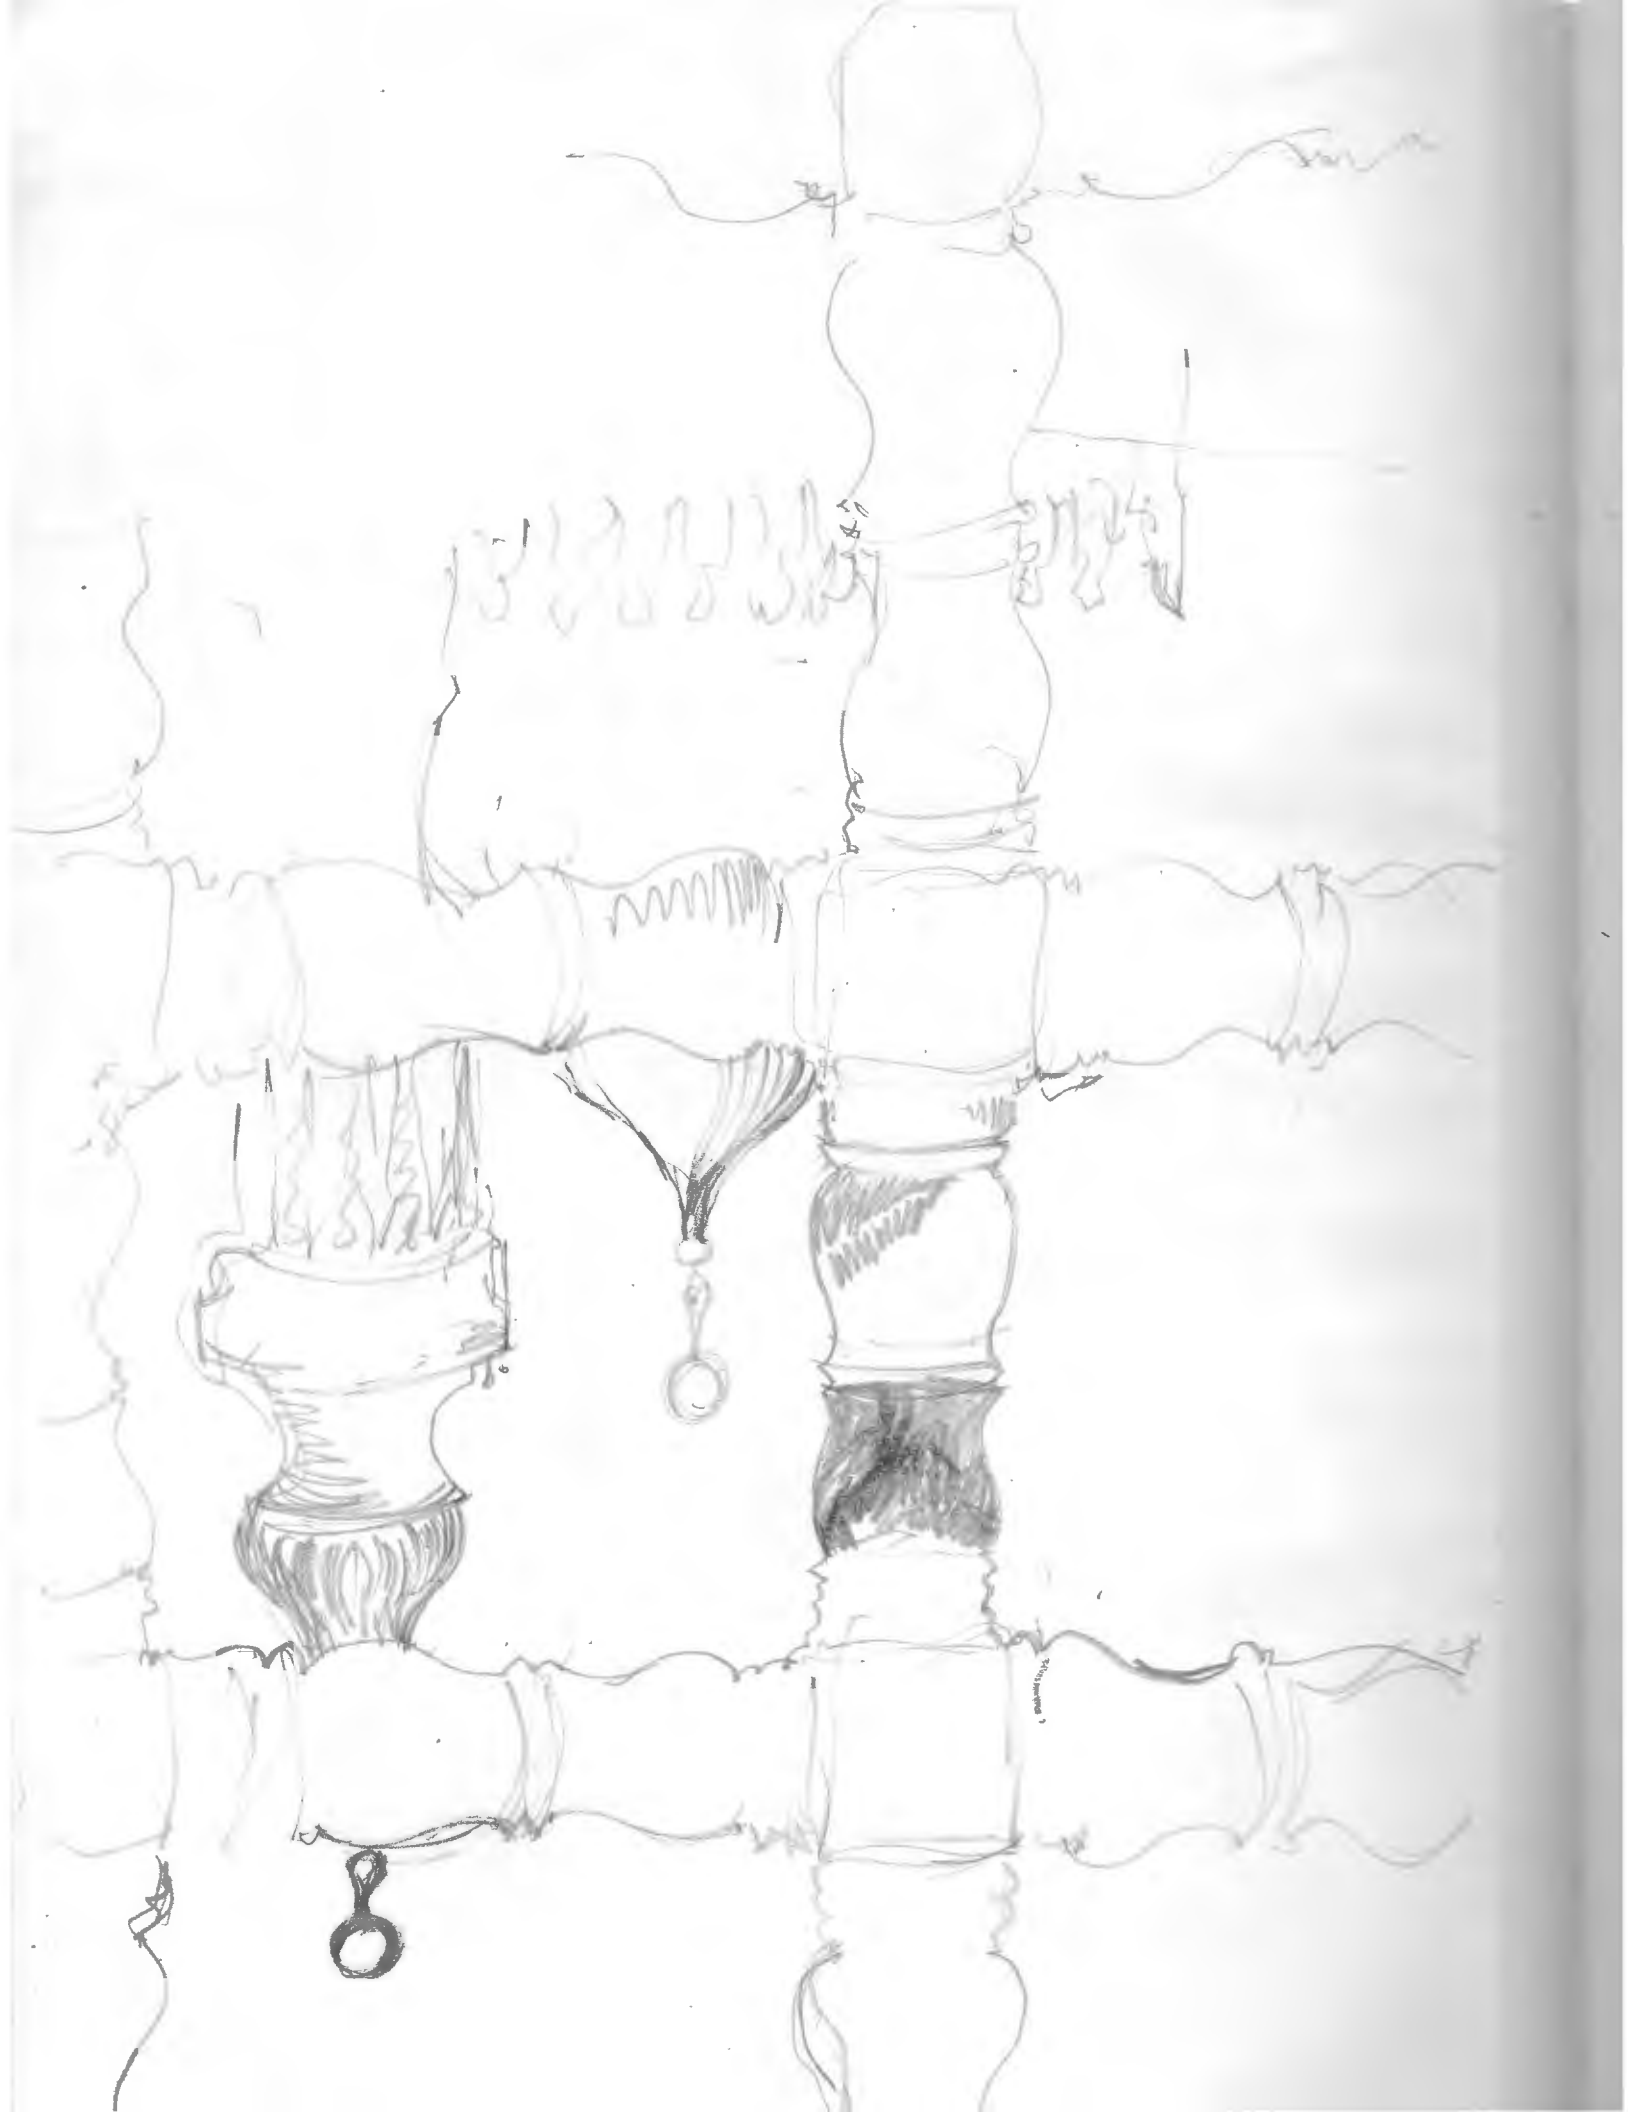

figures =

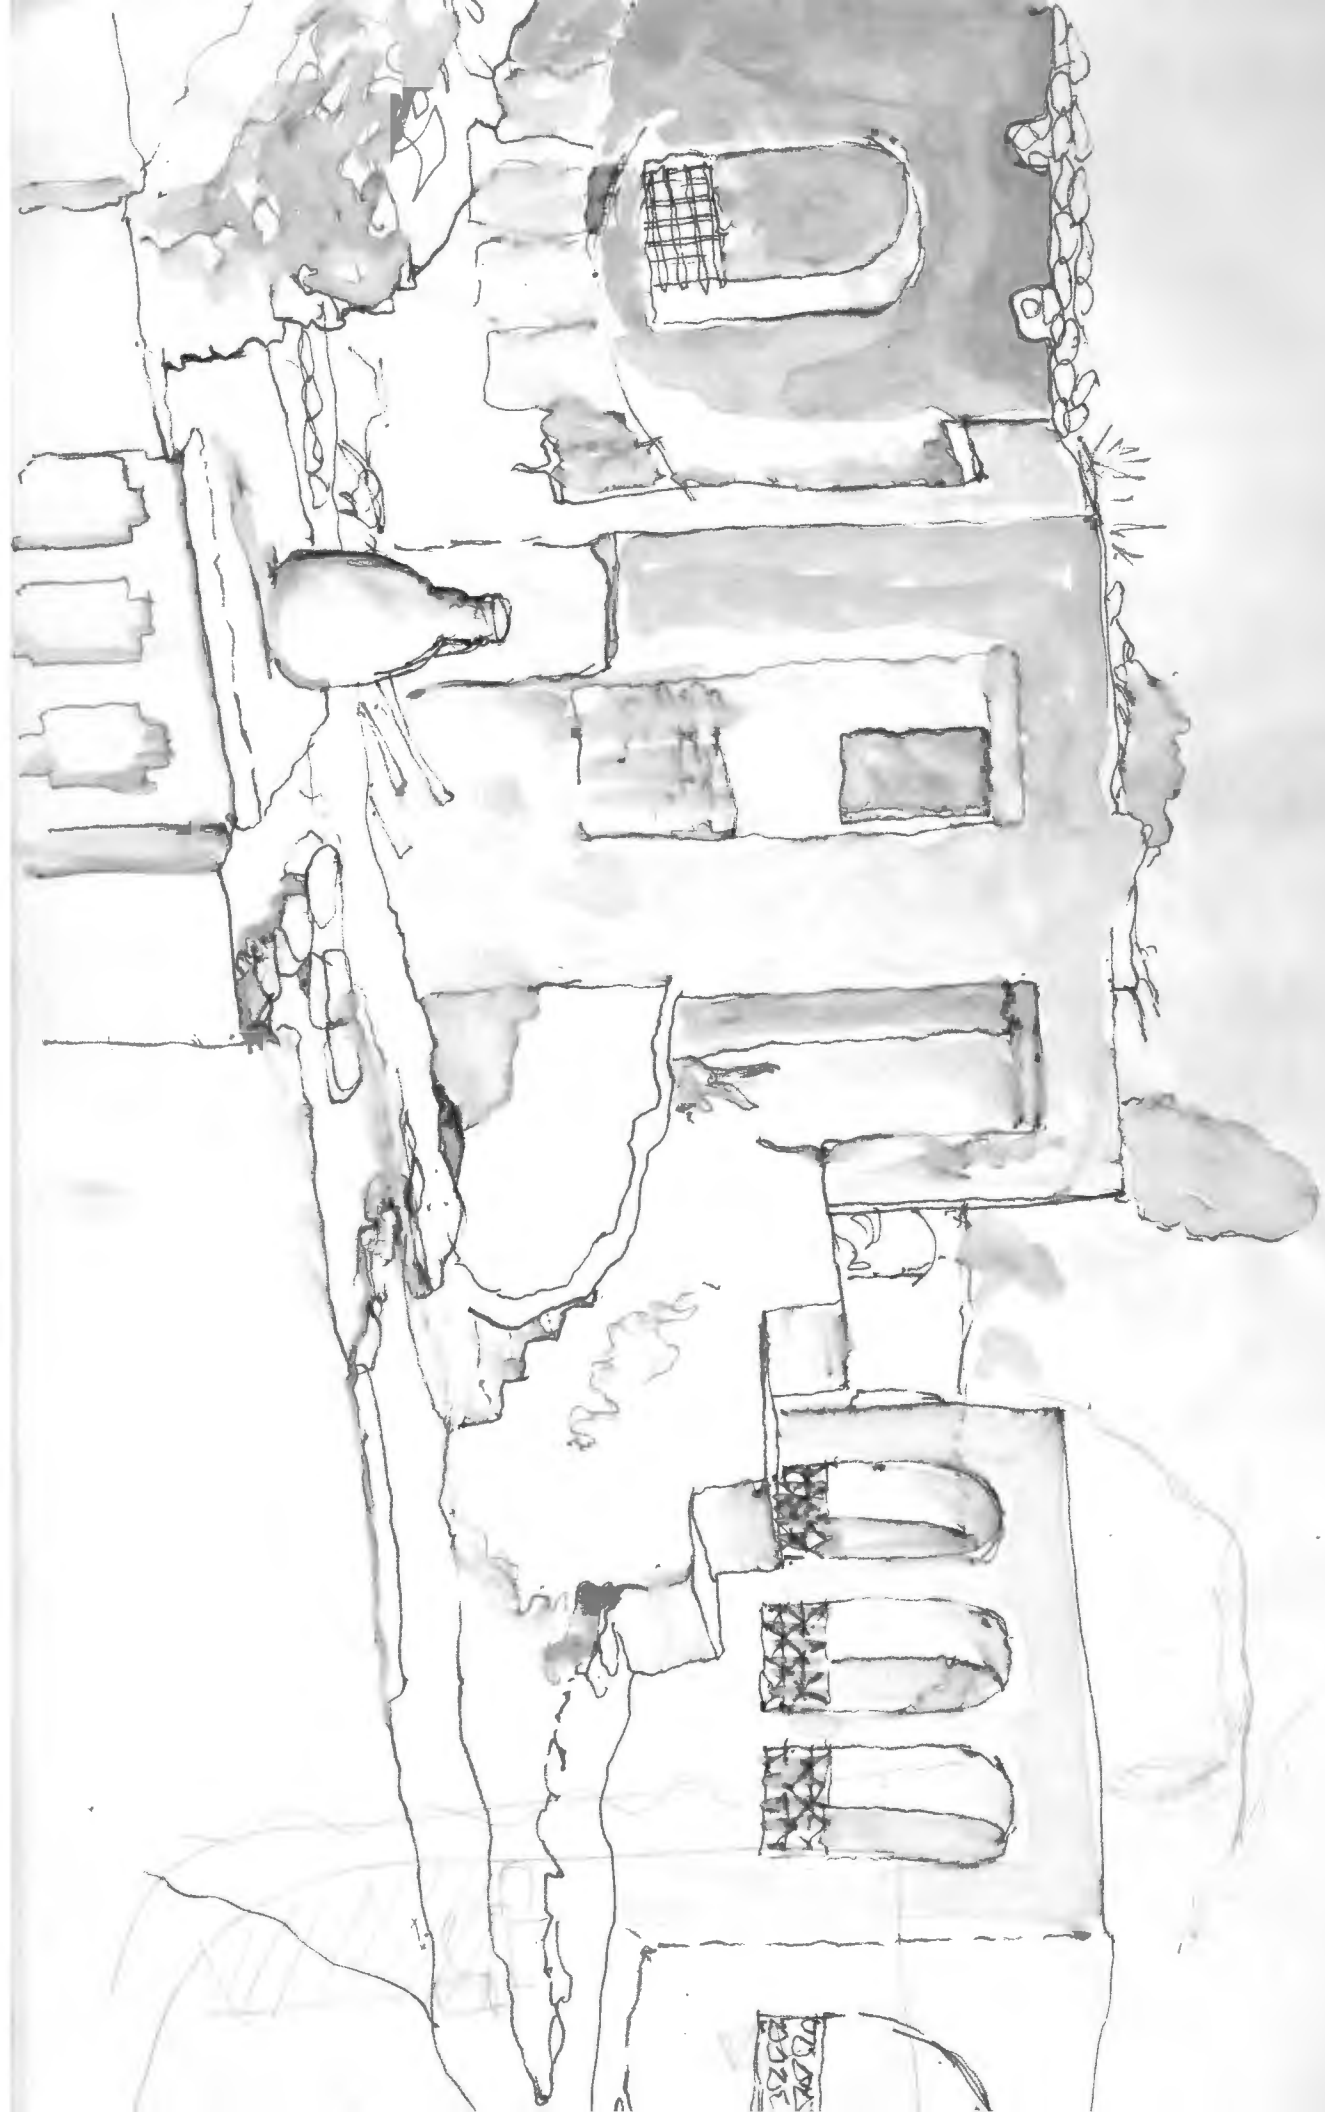

best to meet

Modern man came to make out but it became
quite future, circle of upright stakes, with hoops - then
bamboo - became hms - straw or wooden framework

Sessions at South St dump for 75 Group -

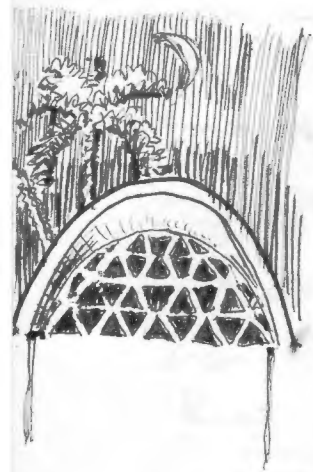

Really blew it for those guys -

What a let down we must have been -

What can I do to make it back again
when so much has been lost, and I never
remembered what the guts to say what
was to be said by the new comm. speak for

Oman. Climatic Study 1973

Muscat : study of houses here. but these houses are air conditioned etc. openings blocked. Louvers. Many new blocks of flats being put up for Govt employees. Evaluate middle & ground floor. these are on stilts. Evaluate effect of stilts. Wind? Villas. compare these. Effect of and behaviour of tall buildings.

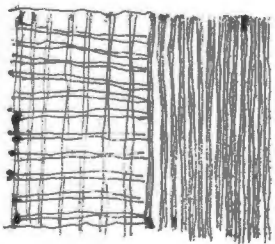

↑ Not H.F. - only concerned with traditional houses in this case
temp. air movement, humidity, pressure. light.

Barasti experiment suggestions - hygrometer inside tent.

weighing samples at different times.

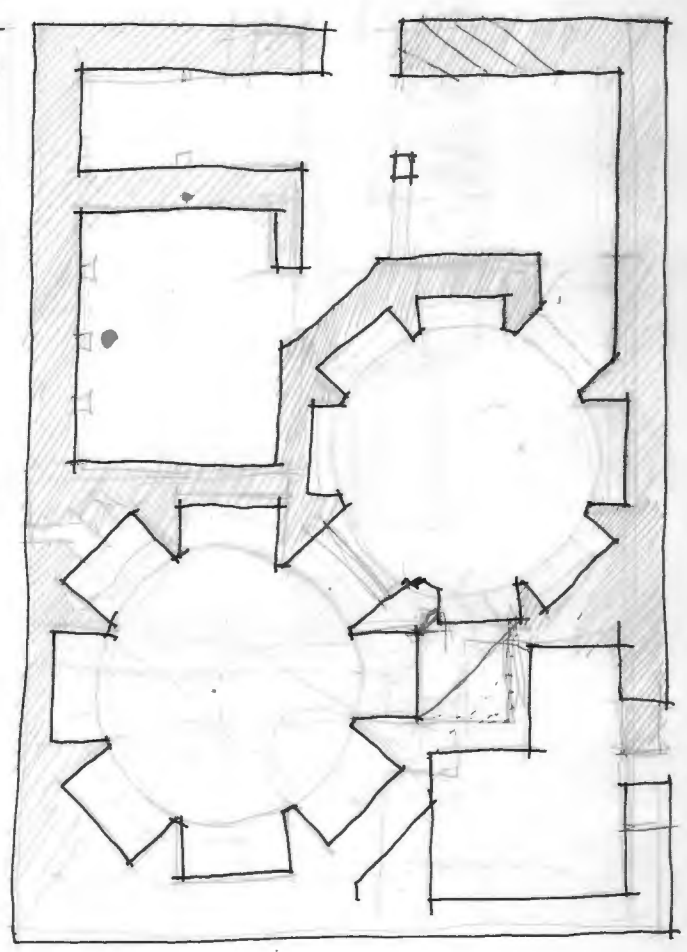

dry + wet samples.

how the Barasti is treated - peeled or with oily skin. and with leaves.
